BUFFALO STATE • The State University of New York

Accreditation Status

All Buffalo State Educator Preparation Programs (EPPs) are accredited by the Council for the Accreditation of Educator Preparation (CAEP). Many programs listed below have additional accreditation/recognition through a Specialized Professional Association (SPA).

NOTE: All initial and advanced programs are accredited by CAEP, as of Fall 2022 through Fall 2029 based on the most recent review. In cases where programs were not reviewed or recognized by their SPA, they were formally reviewed through “CAEP Evidence Review of Standard 1 (Content and Pedagogical Knowledge)” and met expectations for this standard.
