

Regional Salary Information for Classroom Teachers and Leaders

2018-19

The following salary information was gleaned from the Basic Educational Data System (BEDS) Personnel Master File (PMF). These standard statistical summaries contain information collected annually from teachers and administrators throughout New York State Public Schools, BOCES, and Charter Schools. These reports contain data about annual salary, age, gender, experience, degree status, average class size and certification status.

These data are available via New York State Education Department's Information and Reporting Services website. <http://www.p12.nysed.gov/irs/pmf/>
